Sackets Harbor, NY

Harbor Features

- Located on Lake Ontario in the Town of Sackets Harbor, Jefferson County, New York.
- Authorization: River & Harbor Acts of 1882 and 1888.
- Shallow draft recreational harbor.
- The harbor consists of a timber-crib mooring area and a brush and stone jetty 164 feet long.
- The structures are designed to protect the Navy Point Marina.
- Major stakeholders include charter fishing interests and the recreational boating community.

Project Needs

- Currently, there are no critical maintenance needs.
- Semi-annual maintenance needs include project condition surveys and sediment sampling and analysis.

Consequences of Not Maintaining the Project

- Potential safety issues for recreational boating community.
- Potential functional loss of Critical Harbor of Refuge.
- Negative economic impacts, locally and regionally.

Transportation Importance

- Critical Harbor of Refuge.
- Supports 4 charter fishing boats generating approximately \$32,664 in net income annually.
